

**FOR IMMEDIATE RELEASE:***September 14, 2023***South Florida PBS Health Channel's "Research Detectives: Finding Lost Memory" Named Winner in the 2023 Cinehealth International Health & Wellness Film & Video Festival**

MIAMI, FL – South Florida PBS' Health Channel proudly announces its recent accolade at the esteemed 2023 [Cinehealth International Health & Wellness Film and Video Festival](#). The award-winning recognition comes in the Short Films category for its original production, "[Research Detectives: Finding Lost Memory](#)," a compelling exploration of breakthroughs in Dementia and Alzheimer's Disease research. The series, hosted by Trace Dominguez, showcases cutting-edge technology, groundbreaking treatments, and an unwavering commitment to knowledge in collaboration with the Wertheim UF Scripps Institute.

[Cinehealth](#), renowned as the premier international film festival exclusively dedicated to health and wellness, continues to foster community unity through innovative storytelling across media platforms, including video, film, TV, and audio. The festival featured an impressive array of films around the globe including the United States, Greece, Egypt, and more.

***"Our mission is to be a beacon of hope in the world of health and wellness, and this award is a significant milestone on that journey,"*** stated Dolores Fernandez Alonso, President and CEO for South Florida PBS.

The winners of the prestigious Cinehealth Awards were unveiled on Tuesday, September 12, 2023, during the Digital Pharma East event in Philadelphia, Pennsylvania.
